Manufacturers and Traders Trust Company is successor to The Chase Manhattan Bank as the indenture trustee (the "Trustee") under a Trust Indenture dated as of August 1, 2000 (the "Indenture") between Dallas-Fort Worth International Airport Facility Improvement Corporation (the "Authority") and the Trustee, pursuant to which the Bonds were issued in the original principal amount of \$100,000,000. The Bonds were issued to provide a portion of the funds to refund the Authority's then outstanding American Airlines, Inc. Revenue Bonds, Series 1990. In conjunction with the execution of the Indenture, the Authority and American Airlines, Inc. ("American") entered into that certain Facilities Agreement dated as of August 1, 2000 (the "Facilities Agreement") pursuant to which American agreed to make payments sufficient to provide for the payment of the principal of, redemption premium, if any, and interest on the Bonds, when due. Pursuant to the Indenture, the Authority assigned to the Trustee all right, title and interest of the Authority in and to the Facilities Agreement. Additionally, American and the Trustee entered into a Guaranty dated as of August 1, 2000 (the "Guaranty"), pursuant to which American unconditionally guaranteed the payment of the principal of, redemption premium, if any, and interest on the Bonds, when due. The original principal amount of the Bonds remains outstanding. Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Indenture, the Facilities Agreement or the Guaranty, as applicable.

The main case number is 11-15463 (SHL). American's Chapter 11 Filing constitutes an Event of Default under Section 5.1(c) of the Facilities Agreement and Section 2.4(a)(5) of the Guaranty. The occurrence and continuance of an Event of Default under the Facilities Agreement constitutes an Event of Default under Section 11.1(c) of the Indenture.

Debtors' Rejection Motion

On February 23, 2012, the Debtors filed a motion (the "Rejection Motion") with the Bankruptcy Court seeking entry of an order authorizing the Company to reject (terminate) the Facilities Agreement. A copy of the Rejection Motion is appended as an exhibit to this notice. The Debtors do not seek at this time to reject the leases and other agreements that govern the Debtors' right to use or occupy the premises that were constructed and/or improved with the Bond proceeds or to terminate the use of equipment acquired with the proceeds of the Bonds. The Trustee is currently reviewing the Rejection Motion with its legal counsel to determine the appropriate response. **Objections to the Rejection Motion must be filed with the Bankruptcy Court on or before 4:00 p.m. EDT on March 15, 2012. A hearing to consider the relief requested by the Debtors in the Rejection Motion will be conducted by the Bankruptcy Court on March 22, 2012 at 10:00 a.m. EDT, Courtroom 701.** The address of the Bankruptcy Court is One Bowling Green, New York, New York 10004.

The holders' ability to direct the Trustee is further subject to the requirements of, *inter alia*, Section 11.6 and Article XII of the Indenture, which, among other things, state that the Trustee shall be under no obligation to institute any suit or to take any remedial action under the Indenture or any other documents relating to the Bonds until it shall be indemnified to its satisfaction against any and all reasonable costs, expenses, and liabilities, including counsel fees and other disbursements.
