SHIRA A. SCHEINDLIN, U.S.D.J.:

As a result of prior orders, the fact discovery cutoff in these four cases (the "Actions") is September 30, 2015. Plaintiffs now seek to extend the fact discovery cutoff to October 23, 2015, in order to take certain previously noticed depositions that could not be taken earlier, and seek clarification of the parties' ability to use fact discovery taken in the Actions and in *Wilmington Savings Fund Society, FSB v. Caesars Entertainment Corporation*, No. 10004, an action pending in the Delaware Chancery Court (the "WSFS Action"). Defendant Caesars

¹ While the caption of the MeehanCombs and Danner matters remains the same as in the Complaints, Caesars Entertainment Operating Company, Inc. ("CEOC") is not a party to this Order as, pursuant this Court's Order dated January 15, 2015, the MeehanCombs and Danner Complaints against CEOC are stayed pursuant to section 362(a) of Title 11 of the United States Code.

Entertainment Corporation (“CEC”) agrees that the fact discovery cutoff should be extended for the limited purpose of completing the noticed depositions, including a deposition noticed by CEC in the WSFS Action, but argues that because the last noticed deposition is scheduled for October 13, 2015, the Court should extend the discovery to that date, not October 23. CEC also requests an order directing plaintiffs to respond to certain requests for admissions. It is hereby

ORDERED, that the fact discovery deadline is extended from September 30, 2015 to, and including, October 13, 2015, for the limited purpose of conducting the depositions that have been previously noticed. It is further

ORDERED, that plaintiffs shall timely respond to the requests for admissions served upon them by CEC. It is further

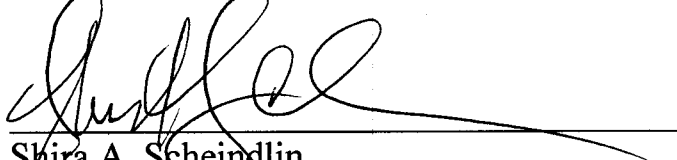

ORDERED, that the parties shall not seek to take depositions of new fact witnesses other than those that have been previously noticed, except upon application to the Court for good cause shown. And it is further

ORDERED, that all fact discovery obtained in any one of the Actions, or in the WSFS Action, is equally available to all of the parties in the Actions. This is not a finding as to the admissibility or evidentiary value of any such discovery materials. The plaintiffs may also participate in the potential depositions in the WSFS Action specifically described in footnote 4 of plaintiffs’ letter — *i.e.*, the Rule 30(b)(6) deposition of Paul, Weiss, Rifkind, Wharton & Garrison LLP

and/or the deposition of an individual attorney at Paul, Weiss, and the previously-noticed depositions of the three underwriters of indentures — provided such participation does not interfere with the parties' ability to meet any deadlines set by this Court.

The Clerk of the Court is directed to close this motion [Docket No. 56 in 15-cv-1561 and Docket No. 62 in 15-cv-4634.]

SO ORDERED:
